Dear Marton

Please find attached my English Curriculum Vitae, as I would like to stand again as a member of the Hungarian Cricket Board

I have now been in Hungary for 6 years and am enjoying being so involved in Hungarian Cricket that I would like to continue on the board and keep Hungarian Cricket moving forward

I have now been League Chairman for 5 years and also have now taken over the running of Bat and Ball Cricket Academy, I am happy to carry on running everything to do with the League and also to help out with building a bigger junior section for Hungarian Cricket

I have had 25 years of Cricket in England being a Captain, being a player and also involved in my clubs committees and I feel along with all the experience now gained in Hungary that I can continue to work hard and make Cricket in Hungary better and bigger

Thank you for your time and consideration of my application

I look forward to hearing from you

Yours Sincerely

Duncan Shoebridge
